GOVT. ENTOMOLOGIST MYSORE

1) Brigade Surgeon Lt. Col T. J. McGann's Services have been lent to the Durbar till 31 March 1897, or until his Services are required, for ~~the~~ administrative purposes by the Govt of India. Vide Resd letter 3rd March '91 —

2) What we now pay Dr. McGann is
British Salary of Grade 1050.
All allowances for various charges .. 650.
1700 —
Besides this he draws an allowance of Rs. 110 on account of House rent.
His total Emoluments from Durbar amount to Rs 1810. He has been in receipt of these Emoluments since April '87 i.e. during the last 7 years.

3) Dr McGann has for some time past been pressing the question of some addn to his pay — He compares himself with Col. Macinture whose pay consolidated is Rs 1827.

Lt. Col Macinture on appointment as Civil. was given a Salary of Rs 1500 + a house rent of Rs 100 — Vide Resd letter 3 5 Jan 89 — This your Highness increased to Rs. ~~1800~~ 1827 but without house rent

2 ✓

4) The Service & Status of the two officers are compared below –

	British pay	Mysore pay now	Contribution	Total pay – Exchange Compensation not included
Br. Surgeon 1st Cl		1050 + 650		
T. J. McGann	1050	1700 – 110 = 1810	175 under Old Rules	1985
Lt. Col Macintire	827	1827	400 under New Rules	2227

Rs

Dr McGann – Born 15 April 43 – Joined Service 1 Apr 67, gets – 1810 ✓

Lt Col Macintire. Born 5 March 48, Joined Service 11 Dec 65 – gets 1827 ✓

Macintire who is 5 yrs younger but has 1½ years more of Service gets Rs 17 more than McGann taking into account the house rent of the latter. But we pay to the Br. Govt, 225 Rs more for the former than for the latter, as Contribution which benefits them in no way

5) The British Govt increased the Contribution for Macintire to Rs 400 new Rules in '84 by applying New Rules – from Rs 250 which previously obtained. If they will not do likewise regarding McGann we can pay him an Extra Rs 150 If we give this

McGann's Salary will be Rs 1850 + House rent –

Macintire Salary 1827 – No house rent

We may note McGann's house rent also will be abolished but that he will get a State building to accompany on removal to Mysore

6/ We might ~~consolidate~~ give Entire allowance for Purchase Lease.

GOVERNMENT OF INDIA

Private

My dear W. Yes I understand now

I want to say a few words to you on a personal matter. Put it before the Dewan if you see no objection & let him do whatever he considers right

If you look at p. 28 of the "Civil list for the Govt of Mysore" you will see that Benson's "pay" & mine are the same viz Rs 850/-. Even though I belong to a higher grade having completed 20 years service on the 1st April last when

under ordinary circumstances
would fall to be on the case of
Rs 200 a month, big Rs 1050/-
for Med. Charge of a 1st Class
Civil Station, (Vide Med. Code
Vol I. p. 122) and this, perhaps,
the Durbar might see his way
to bestow me. If I were to
give my opinion here
they would be somewhat as follow

	Rs
Surg. Maj. over Dogra Levies.	
Med. Ch. 1st Cl. Civil Station	1050
Ch. Lunatic & Leper Asylum	250
Med. Ch. Central Jail	100
Maternity	100
Charge Medical Store	150
Admin. vs Med. Charge of the Prov. & Supt. Vaccination	
	Rs 1650

I do about as much work as
did my predecessors when here
before, or even though I have
had administrative charge of
the C. Jail I have increased
work in other ways to make
up for it.

I could easily make an
extra few hundred a month
by private practice if I wanted
to - but - I have hitherto declined
Everything I could in that way
so that I may have my whole
time for my Asylum work.

If the Devon Cty pay my pay
& allowances are consolidated & that
I have no claim to any increase
that I cannot here on that -

Understanding I am quite willing to abide by decision I am neither discontented nor unhappy, but as I believe I have a fair case to go upon I venture to submit it to the Revenue knowing that other Officers in the Province have received increased allowances in offices formerly held

9th September 1894

My dear McGann.

Last evening H. H. approved of the following in regard to you

1st Applying to Govt India for sanction to an addition of Rs 150/- to your salary. Your House rent allowance being abolished as in the case of Macindire. [when you come to Mysore you will of course get a free house, so that abolition of H. R. allowance will not really affect you]

37

If Govt of India try to introduce new Contribution Rule as a condition of the proposed increase of Salary, the Durbar will not give you the proposed increase on such onerous terms, but will try and compensate you in some way at some future time.

2d Mysore will pay your allowance during privilege leave on Consolidated Salary.

3d I shall write to Comptroller as promised about your drawing this allowance in England during leave

and 4th The proposed increase of

Rs 150 to your salary cannot be given to you <u>in anticipation</u> of Govt Sanction for the prohibition is very strict and I am prevented from anticipating in such matters. In Dr Evans case I was called upon to cancel an order I issued in anticipation and I do not want to be put into the same un-pleasant position again.

I am writing in great haste but hope I have made my meaning quite clear.

Please don't worry yourself about these matters. Go home get well and return with health for a good spell of work.

D: O letter dated 11 September 1901 from the Dewan of Mysore to the Resident in Mysore.

His Highness the Maharaja wishes to give some small promotion to Brigade Surgeon Lt. Col. S. J. Melan under the following circumstances:—

Dr. Melan was born 15th April 18[illegible] and joined the service on 1st April 18[illegible]

Since April 1887 (during more than seven years his emoluments from the Mysore State have been as follows:—

British Salary & grade Rs 1050.
Allowance for various charges 650.
House Rent ——— 110

Total Rs 1810.

His Highness now proposes to give Dr. Mejan with effect from 1st August 1894 in addition to salary of his grade Rs 1050, an allowance of Rs 800 a month instead of Rs 650 a month as hitherto, the separate house rent hitherto paid him being abolished. He will however be provided with a Government building for his residence. I beg you will be so good as to obtain the sanction of the Govt of India to the above arrangement.

The contribution now paid by the Durbar on account of Dr. Mejan's pension & house allowance is Rs 175 a

maitti. As under the arrange-
ment now proposed the lia-
bility of the British Governma
to regard pension and leave
allowances would remain
unaltered I beg that the amount
of contribution too may be
allowed to remain unaltered

If permitted the Durbar
will however gladly pay this
officer (in addition to leave
allowances from the British
Government covered by the
present contribution) leave
allowances calculated on the
sum of Rs. 800/- per mensem
I make this proposal as the
contribution calculated on
assumed pay under Section
808 of the British Civil Service

Regulations so as to be as heavy as to make it difficult for the Durbar to treat the British officers sent to them with such liberality as they would like. I hope you would not regard as unreasonable my prayer that the Government may be pleased to waive application of Section 808 to such British officers as had been sent to the Darbhanga date being before the issue of the Civil Service Regulations and that you will be able to give my proposal your valuable assistant

Medl 10-87-13

To
The Resident in Mysore

Sir,

I have the honor to acknowledge the receipt of your office D. 4438/270.86 of 19 Dec 1894, refusing sanction to a proposed increase of Rs. 150 per mensem to the Salary of Bangalore Surgeon Lt. Col. J. McGann ~~on the~~ as there were no medical grounds for such an increase — My letter to which the above was a reply was a demi-official one in which I did not enter into ~~details~~ a full statement of the grounds for the promotion recommended, ~~& I was under the impression that Col Hutchinson knew~~ and beg now to supply the omission.

The duties which devolve upon Br. Surg. Lt Col. as Senior Surgeon are

1) Medical administrative charge of the Civil Station Province
2) The Sanitary Commissionership of the State.
3) Superintendence of the Leper & Lunatic Asylums at Bangalore
4) Superintendence of the Lying-in Hospital at Bangalore
5) Superintendence of the Medl Stores

Most letter are numbered & if already so printed Mance nothing more to say - & it is needless that I should take the trouble of studying the question.

~~6) Duties of the Vaccine.~~

6) Duties of a Civil Surgeon of a 1st class Station, with those of attending as the (large No. of) European & Native Officers of the Durbar Stationed at ~~the~~ Bangalore which is the H. Quarters of the Administration.

(besides a house rent of Rs 110)

For the whole of the duties Specified above he receives, from the Durbar an aggregate Salary of Rs. 1700, ~~which~~ i.e. ~~is Composed of~~ Rs 1050, the British Salary of a Surgeon Lt. Col. in charge of a 1st class Station, plus Rs 650 additional —

Mysore has 1/5-th of the area & 1/7 th of the Population of the adjoining Presy. of Madras, and has 107 Hospitals & Dispensaries (more than 1/5-th of the number in Madras). In Madras the duties above Specified

are paid for as follows:—

Surgeon Genl. addl. charge	2500
Sanr. Comr.	1800
Supt. Lunatic Asylum	1050
Do. Leper Hospital	1250
Principal Med. Store Keeper	1250
	7850

In addition to these duties Surgeon Lt. Col. McCann has ~~to supervise~~ Charge of the H. Q. Vaccine Depot which does not exist in Madras, & which supplies the Vaccine to neighbouring Dts of Burma.

Altogether his Med. duties are so onerous that he has no time for practice which as a matter of fact he does not take up.

There are some of the Med. ~~Asst~~ grounds upon

I beg that the British
Govt. may be pleased
to permit the Durbar
to make a present
addn. of Rs 150 a month
to this ~~present~~ officer's Salary
of Rs 1050 + 650 or Rs 1700 -
The proposed Salary of
Rs 1850, is in the opinion
of the Durbar, even on
the side of moderate
rather than that of Extravagance
~~as Soldiers go in Europe~~

Dr. McGann has submitted a bill for arrears from 11 Sep 1894 inclusive (Overhaul Compensation allowance) The latter ( ) item has the disallowed & C.C. is not claimable on 'Local Allowance' & ~~annotation~~

Please see para 11 of C.C. Rules in page 34 of the printed Compilation Subd, also para 2 of Govt of India Resolt No. 661 I dd 6 Feb 94 (Page 5 of the printed Comp) As salary does not include local allowance it is doubtful if C.C. allowance can be claimed in the 'local allowance' now sanctioned. But perhaps local allowance temp
